

The outdoor way of life

Quality meets design
Silverplana Germany develops and manufactures the exquisite Silverplana all weather furniture line.

Renowned designers come together to create unique designs, such as Silverplana's design protected eye catcher SOLOUNGE

(The only daybed with a hard top solution worldwide).

Silverplana's client can benefit from the vast experience Silverplana has in the exterior furniture market.

Leading five star hotels have placed their trust in Silverplana's German quality, extensive service and the successful fulfilment of their needs.

Silverplana has had the privilege to supply to the Ritz Carlton, Hilton, Park Hyatt, Steigenberger, Leela Kempinski and Jumeirah amongst others.

A complete outdoor solution

Silverplana can cater for all clients exterior needs, be they in finest outdoor furniture or standard products. In this sector Silverplana offers a top price/quality mix.

In constant close contact with our clients Silverplana analysis customer needs and offers an optimal,

complete exterior package.

Silverplana has an extensive range of parasols with the latest technic, made in Germany and other accessories.

Customisation service

If you are looking for a design which you cannot find anywhere on the market, come to Silverplana.

Silverplana can tailor make an exclusive furniture line for your hotel. Working hand in hand with the client, Silverplana defines exact customer needs, offers speedy quotations, German quality controlled products and German on time delivery.
